

Assessing and Addressing On-Farm Risks

For this Breakout Session, you will view the Farm Risk Assessment Placemat side with the red "X". As a group, you will select five (5) risks to address. Then, you will note why they are risks and how to mitigate each risks. Finally, you will rank each risk 1-5 by priority.

Risk #1: _____

Risk #2: _____

Risk #3: _____

Risk #4: _____

Risk #5: _____

Risk #1:
Rank:_____

Risk #3:
Rank:_____

Risk #4:
Rank:_____

Risk #5:
Rank:_____
