January 23, 2018

Hello Exhibitors/Vendors:

The Southern University Agricultural Land-Grant Campus will be hosting the 8th Annual Louisiana Small Farmer Conference, March 15-17, 2018, at the Felton G. Clark Activity Center (SU Mini Dome) in Baton Rouge, Louisiana. With this year's theme, "Transforming and Elevating Louisiana Small Family Farms", the conference aims to provide an opportunity for all of Louisiana's small agricultural producers to come together and share strategies and also be informed about the latest educational tools and resources that could impact the survival of their agricultural businesses.

We expect over 200 farmers and agricultural professionals to attend and share information about their products and services with representatives from various companies and organizations like yours. As such, we invite you to participate as an exhibitor in this conference. We are excited to offer excellent exhibit hall hours, a vendor listing on our website, and vendor donated prizes being given away at the conference.

Your exhibitor space is complimentary. To ensure a listing in the published program, your reservation must be received by March 2, 2018. Exhibitors reserving after this date will be listed on a separate exhibitor addendum sheet.

Exhibitor move-in is scheduled from 8am to 3pm Thursday, March 15th.

Tentative exhibit hall hours are:

- Exhibit Hall Grand Opening on Thursday, March 15, from 5:30-7:00pm
- Friday, March 16th, from 7:00am-8:30am and 10:00am-5:00pm (The exhibit hall will be closed during the General Session on Friday morning.)

We look forward to your participation in the 8th Louisiana Small Farmer's Conference. Your contribution will help make our conference a success! For more information, please contact me at kelli_hollins@suagcenter.com or 225-771-5782.

Sincerely,

A handwritten signature in blue ink that reads "Kelli Hollins".
